

	On the video starts playing LET'S GET THE PARTY STARTED
	Tarrant is in his car fiddling around and before taking off reminds everyone to subscribe to pewie pie. Car takes off guided by GPS
1:20	Serbian war music starts playing
1:30	Adjusted the headcam
3:06	Stops car
3:09	Turns camera on himself and say alright lads
3:39	Serb music restarts – still parked
4:13	Gun test strobe lighting on gun – adjust camera again
4:28	Takes off with Serb music still playing
4:34	Starts talking no sure exactly what he said
4:48	End of Serb music and marching music starts playing
5:01	Arrives at Al Noor mosque (apparently)
	Drives around looking for a parking spot inside complex comes to a dead end and ends up making a bollix of the turn
5:33	Complains about power steering in the car
5:49	Arrives at the end of the alley where he stops the car. Guy, Pakistan type guy seen to the left crossing the path
5:57	Starts to get out of the car
6:03	Opens the boot of the car – still marching music
	He opens a cover and we see some of the so called weapons petrol like cans
6:15	Takes out a shotgun with white writing and heads to the mosque
6:20	Turns corner and heads to entrance – can see people standing by the entrance
	Marching music still playing
6:26	Black gentlemen 50ish spots him in full gear cam and all
6:27	Turns to face main entrance door to mosque
6:28	Can clearly see a car to the left of main door
6:36	Says something could make it out
6:38	Near main door opens fire with a shotgun, fires 9 times according to me
6:44	Enters in to first part of main building, guy already down on his left
6:48	Unloads on a guy already hit, hits him twice in the back, dude clearly not wearing socks
6:50	Looks right and fires on a female running out the other way, not clear if she was hit
6:53	Fires on someone at the opening to the main hall
6:54	Clearly see the spare magazine on the floor
6:55	Starts firing into main hall as he is walking towards it
6:57	Unloads a couple of shoots on a guy face down already to the left
6:58	He swings right and you can see a couple of people standing up, rest seem to be already in a pile
6:59A	Black fella to the right standing up seems to get hit several times
6:59B	Smoking gun proof CC was a falseflag
7:03	Firing wildly to the right side, no broken windows
7:04	Guy with glasses makes a run for it, gets shot several times at very close range, no blood spatter visible position of body
7:06	Drops an empty magazine MAYBE
7:11	Walks next to guy he shot earlier but now wearing blue socks
7:13	Drops an empty magazine
7:15	Reloads a magazine and heads and says “That didn’t work”
7:16	We clearly the magazine waiting on the ground
7:18	Re-enters main hall firing left
	Next 10 seconds fires wildly into to grouped up bodies, no broken windows
7:28	Drops an empty magazine to the floor
7:30	Re-enters hallway
7:32	Reloads

7:37	Reenters main hall firing left and right
7:46	Needs to reloads again Next 15 seconds or so he is having problems reloading his semi-automatic weapon
8:03	Starts shooting to his right, his left when he entered
8:10	Reloads again to his left
8:14	Looks down hallway and starts firing
8:16	Starts to nitpick who he fires at on the right lasts about 9 seconds
8:26	Turns the other way to nitpick who he fires at
8:30	He turns down the hallway again Notice position of body has moved again
8:32-3	Picks up what happened to be there by change, a full magazine that fitted his weapon perfectly – Notice that the video quality at this point is pretty good
8:38	See body at door moved position yet again
8:41	You man with the blue socks pretty clear in the shot
8:42	There is a fella lying down looking deadish from 8:14
8:45	Heads out of the main hallway and we see 2 dead bodies in 60 position at the entrance
8:47	He's outside in parking see car parked to the right
8:48	Looks to his right, car seems in same position since originally noted
8:50	He starts walking to exit looking left and right
8:54	As he nears the exit, white estate car drives by from right to left
8:55	He is outside on the street again
8:57	Looks to his right and starts firing, no one visible, clearly see the numbers 14 and 14 and enlarge #sign, bullets can be seen exiting the weapon but no casing appear on the ground, maybe ask max egon THE CGI effect
9:05	After firing many times to the right, he turns to his left
9:07	Starts firing to his left, no one visible on SCREEN
9:08	Clearly see empty shells being ejected, none visible on ground
	Heads to his car
9:15	Turns the corner to where is open car with lots of weapons is at
9:20	Gets to the back of his car, weapons with writing on display
9:27	Seems to be fiddling with his weapon
9:30	He tosses the weapon on the ground
9:32	He grabs another semi-auto with again lots more white writing on it
9:35	He loads the weapon
9:39	Tarrant turns round to see if there is anyone/thing behind him
9:40	Plays around with what seems to be a jerrycan of petrol
9:41	Passes to the right of his car heading back to the road with the Al Noor
9:45	Reaches top of little streets, looks right then left
9:47	He nearly fires to his right, doesn't and turns back to head to the mosque
9:51	Again in front of the main exit see sign indicating an exit only Clear see that the car to the left of mosque entrance
9:52	Walks past exit heading to the main entrance for cars , no traffic
9:57	Arrives at parking to the left of the mosque white Nissan micro last car
10:01	Starts firing single bursts – fires for 7 seconds, no one visible CGI AGAIN LOOKLIKE
10:09	Looks to his left down the street
10:11	Looks down to the right – looks around for a few seconds
10:16	Says something like "looks like you wouldn't get the birds today boys"
10:20	Starts shooting down the parking no one visible
10:26	He enters mosque group via the entrance on the left
10:29	Heads to main mosque entrance yet again
10:32	He's back at main mosque entrance 69 couple present plus other music playing
10:37	Is back in main hallway blue socks are gone again
10:44	Back in main hall
10:47-48	Starts shooting again at the people on the right as you enter

10:54	Gets really close to all the bodies on the right as you go in
11:00	Shooting what seems to be already dead people, buck shot?
11:08	Shooting people, no blood spatter, strange
11:10	reloads
11:11	Clearly see what is written on his weapon "This is for"
11:13	High quality video of what is written on the gun
11:17	Reloads
11:20	Fired on the dead folks on the left as you go in
11:21	Starts shooting at a bunch of dead bodies on the left as you go in
11:29	Shoot a woman with a blue jumper in the back, no blood splatter
11:37	Heads back out the hallway
11:43	Is back outside mosque clearly see vehicle CWA 868
11:47	Fires at some out to his left at a gate to his left
11:51	After running out looking for the person he just shot at
11:53	Shoots at someone on the ground, looks like a woman in black
11:56	Looks right
12:00	Walking towards the woman on the ground and she can be heard saying "help me"
12:02-3	No blood trail at all it seems Clearly hear a woman saying "help me help me"
12:06	Shooter seems to shot her on the back of the head No blood trail leading towards the victim Way the legs are crossed and what is with the shoes to left of her head
12:07	Part of the back of her head seems to fly off
12:12	Heads back to his car and new music starts to play "I'm am the god of hellfire"
12:17	Enters his car hellfire still playing
12:23	Put car in gear about to head off, lots of weapons with white writing in picture on the passenger side
12:26	Takes off in his car (automatic) must have run over the woman he shot
12:28	Swings left in his car
12:32	Put in new coordinates into GPS
12:37	Says something, still wearing full military gear "brand" "still"
12:40	Still fidgeting with the GPS
12:49	He stops his car and shoot out front windows of car with shotgun, didn't break it, seems to be shooting at a figure in white man or woman getting into a white car
12:52	Reloads weapon
12:53	Fires out thru windscreen
12:57	Fidgets with weapon
13:01	Reloads in car, we see empty reddish cartridge falling out
13:09	Still driving but fidgeting with weapons
13:11	Shoots again out front screen of his car, great idea, not much happens
13:18	Still driving along, music playing, trying to get shotgun to work
13:20	Fires on left passenger windows and it shatters
13:22	Fires again, but a blank
13:26	What is that music? Drives away
12:49	Has been driving for 23 seconds or so, put back hellfire music clip
14:00	Seems to be 2 young girls crossing the road that made him stop, are the 2 girls Muslims?
14:07	He beeps at them like an angry driver
14:08	Seems to cut across traffic continues driving for
14:18	As he is driving he starts to talk to himself and the folks watching
14:26	Talking about people and access
14:30	Drives between 2 cars in 2 lanes fire still playing
14:46	Mutters something, time for something

14:54	Tarrant says "there was time for the fuel as I was going to burn that fuckin mosque to the ground
14:57	Tarrant says "shit happens" music playing in background Manuel - Gas Gas Gas
15:03	Tarrant says I left a full magazine back there for sure possible more
15:06:22	Tarrant says "to run along in the middle of the fire fight , pick up the Mag that pretty much instantly fell out, there wasn't even anytime to aim due to so many targets, there were so many people, the car park was full, there is no real chance of getting thru there
15:25	His car picks up speed music in the back ground
15:44	Tarrant says something inaudible
16:08	Tarrant says something about them all running so quickly, the women weren't in yet, I guess the men were in first
16:25	Tarrant says what can we do
16:48	Tarrant mumble something
